Evaluation of the event route

2.2.016 The UCI may use the services of independent experts to evaluate the safety and compliance of the route. The UCI collects essential information from the organisers for this purpose and/or mandates an independent expert to collect the essential information directly from the organisers. The information collected may include videos of the route, the route layout in GPX format and any other information as deemed relevant by the UCI. The ~~result of the~~ evaluation of the event route by the UCI or the appointed independent expert may ~~lead to the issuance of recommendations, which will be timely~~ communicated by the UCI, or the independent experts to the organiser so that the latter can implement any corrective actions required.

Only organisers that are contacted by the UCI are required to submit the requested information.

Organisers remain solely responsible for choosing the route and implementing any recommendations, pursuant to articles 1.2.032, 1.2.035, 1.2.035bis, 1.2.036 and 1.2.061.
